

I just joined this and I'm a little confused about WriterFeed pad. Are you supposed to see what I type when I type it? Arg....I'm really confused.

Okay...it's been like an hour since I've typed on this thing. I understand what's going on now. Goodie. And if you are reading this then you have most likely clicked the link on my profile. So feel free to say stuff. ;)

Hey, I'm your writing partner
