

Your eyes are a sparkly blue green,
And they look so true to me,
Your lips are full and red,
and i wish they were on mine.

Your voice is like an Angel's,
beautiful and heavenly,
Your smile is so lovely,
and it has seemed to fade.

I think about you everyday,
and I wish i could say one more thing,
that i hope you will never change.
please stay just the same.

I know this is weird, But Kamryn, I have liked you for a long time. And I don't know what has happened to you. You have seemed to smile less. I miss the old you. And I....I am falling in love with you more and more every day.

I love you.
