

tick  
  tick  
    tick  
time is  
tick  
  tick  
    ticking  
but i'm not there  
to feel it  
  passing by  
to feel it  
  running by  
it keeps  
tick  
  tick  
    ticking  
and i'm missing  
  missing out  
    missing time  
      missing life

but i'm right here
